These online talks are focused on a crucial moment of humankind, the transition between the last hunter-gatherers and the first farming communities. Some aspects, such as subsistence strategies, technologies, funerary practices, social relationships etc., are going to be considered. We hope that these talks will help to foster new research projects, excavations and discoveries and renew the public's interest.

Date	Speaker	Talk
8 September	Giulio Lucarini	<i>Neolithic in North Africa</i>
2 November	Niccolò Mazzucco	<i>Neolithic occupation from the Italian coast to the Iberian Peninsula</i>
9 November	Claudia Umbelino	<i>Burial practices in the Mesolithic of Portugal</i>
30 November	Oliver Craig	<i>Cooking the past</i>
1 December	Amy Bogaard	<i>From ancestry to farming practice: understanding the Neolithic</i>
